NASH AND BRANDON ROOMS

Situated in the heart of central London, the Institute of Contemporary Arts is a vibrant venue with views over The Mall, Big Ben and London Eye. The Nash and Brandon Rooms are filled with original Regency plasterwork and feature floor-to-ceiling windows that open out onto three balconies overlooking St James's Park. Designed by John Nash these beautiful and versatile spaces can host civil ceremonies and weddings for up to 90 guests seated in one room, 150 across the two, as well as stand up receptions and parties for up to 150 guests.

THE GARDEN

The Carlton House Terrace event entrance has access to the private square garden opposite and this is also available for reception drinks and photographs.

ARNOLD & HENDERSON

Event organisation and catering for the day is provided exclusively by Arnold & Henderson, who also run the highly acclaimed Rochelle Canteen based in Shoreditch and Rochelle ICA. Arnold & Henderson have been producing and catering the very best weddings, canapé parties, dinners and more for over 20 years. All elements of production can be organised according to your requirements.

With long tables for feasting, fabulous flowers and elegant lighting, no brief is too big or too small for Margot and Melanie's in house events team to organise from start to finish. Couples can choose to treat their guests to a family style feast or a more traditional three course service. And as the night rolls on, Arnold & Henderson will of course be on hand with comfort food classics.

We're really excited to be adding the Nash and Brandon Rooms at the ICA to our list of wonderful and unexpected party venues.

– Margot Henderson

Planning weddings has been a passion project and we've learnt that the recipe for a great night is simple; top quality food, excellent drinks and great company.
